

AR/AP, Cash Flow, Debt & Vendors Summary

Robotix Technologies — Internal Finance Data Summary

This report summarizes working-capital aging, the monthly cash-flow trend, the outstanding debt schedule, and vendor spend, drawn from `ar_ap/accounts_receivable_aging.csv`, `ar_ap/accounts_payable_aging.csv`, `cash_flow/monthly_cash_flow.csv`, `debt/debt_schedule.csv`, `vendors/vendor_master.csv`, and `vendors/vendor_spend.csv`. All figures are computed directly from the source files. Data is 100% synthetic.

Accounts Receivable Aging

The AR aging file lists **75 outstanding invoices** dated 2023-01-14 to 2024-12-28, totaling **\$4,739,568.96**. Notably, every open invoice has aged into the **90+ days** bucket and carries a **High** risk rating.

Aging Bucket	Invoices	Amount
--------------	----------	--------

90+ days	75	\$4,739,568.96
----------	----	----------------

Payment Status	Invoices
----------------	----------

Pending	43
---------	----

Overdue	32
---------	----

Total overdue AR is **\$4,739,568.96** — the full balance is past due, signaling a collections concern.

Representative AR Rows

Invoice	Customer	Amount	Days Overdue	Risk
INV-20240004	CUST10100	\$77,176.08	774	High
INV-20240007	CUST10135	\$19,861.20	332	High

Accounts Payable Aging

The AP aging file lists **150 open vendor invoices** totaling **\$11,971,681.86**. Of these, 94 are Overdue and 56 Scheduled.

Aging Bucket	Invoices	Amount
0-30 days	46	\$3,544,923.86
31-60 days	35	\$2,931,235.84
61-90 days	36	\$2,721,198.52
90+ days	33	\$2,774,323.64

Top AP by Category

Category	Amount
Software Vendor	\$2,790,707.66
Logistics Provider	\$1,892,595.25
Component Supplier	\$1,815,342.75
Facility Services	\$1,646,247.92
Professional Services	\$997,651.80

Top Vendors by Payable Balance

Vendor	Balance
DataGuard Security	\$1,114,390.01
Atlas Logistics	\$1,056,054.26
Innovation Labs	\$997,651.80
Premier Insurance Group	\$945,250.29
Strategic Advisors LLC	\$871,976.52

Monthly Cash Flow

The cash-flow file covers **24 months, 2023-11 through 2025-09**.

Metric	Value
Beginning cash (first month)	\$8,500,000.00

Metric	Value
Ending cash (last month)	\$23,678,103.31
Total revenue collected	\$91,624,941.40
Total operating expenses paid	\$(77,216,515.59)
Total operating cash flow	\$17,571,220.32
Total investing cash flow	\$(1,927,375.81)
Total capital expenditures	\$(2,132,232.93)
Total financing cash flow	\$(465,741.19)
Net cash change (cumulative)	\$15,178,103.32
Average days cash on hand	155.3
Ending cash range	\$9,211,242.49 – \$23,678,103.31

Cash position grew strongly over the period — ending cash rose ~178% from the opening balance, driven by \$17.6M of cumulative operating cash flow against modest investing and financing outflows.

Representative Cash-Flow Rows

Month	Beginning Cash	Operating CF	Ending Cash	Days Cash
2023-11	\$8,500,000.00	\$761,702.71	\$9,211,242.49	83.7
2023-12	\$9,211,242.49	\$833,878.03	\$9,945,243.09	95.5

Debt Schedule

Three active facilities are outstanding (a SUMMARY row in the file restates the totals below).

Loan	Type	Lender	Outstanding	Rate	Monthly Pmt	Maturity
LOAN-001	Term Loan	First National Bank	\$3,200,000	5.25%	\$47,500	2027-03-15
LOC-001	Line of Credit	Pacific Business Bank	\$800,000	6.75%	\$0	2025-01-10

Loan	Type	Lender	Outstanding	Rate	Monthly Pmt	Maturity
LOAN-002	Equipment Financing	Industrial Equipment Finance	\$650,000	4.95%	\$18,500	2028-06-01

Metric	Value
Original principal (active)	\$8,200,000
Total outstanding balance	\$4,650,000
Total monthly payment	\$66,000
Interest-rate range	4.95% – 6.75%
Weighted-average rate (by balance)	5.47%

Vendors

The vendor master lists **15 vendors** across 9 categories (Component Supplier and Software Vendor each have 3). Vendor spend is tracked monthly over **2023-11 to 2025-09** across **360 rows**.

Metric	Value
Total vendor spend	\$25,392,930.29
Total invoices	1,654
Average on-time payment rate	92.7%

Top Vendors by Total Spend

Vendor	Total Spend
Industrial Sensors Co	\$4,933,950.85
TechMotion Systems	\$4,786,019.31
Precision Components Inc	\$4,538,936.19
Atlas Logistics	\$1,372,489.76

Vendor	Total Spend
--------	-------------

Global Freight Services	\$1,279,673.12
BuildRight Construction	\$963,027.94
Bright Marketing Group	\$911,821.73
Innovation Labs	\$889,306.14

Spend by Category

Category	Total Spend
----------	-------------

Component Supplier	\$14,258,906.35
Logistics Provider	\$2,652,162.88
Software Vendor	\$2,435,962.44
Facility Services	\$1,747,431.94
Marketing Agency	\$911,821.73
Professional Services	\$889,306.14
Equipment Supplier	\$866,686.55
Consulting	\$849,483.35
Insurance Provider	\$781,168.91

Component suppliers dominate vendor spend (~56% of the total), reflecting the company's robotics manufacturing supply chain.

Headline Figures

- **Total AP outstanding: \$11,971,681.86** (150 invoices; 94 overdue).
- **Total AR outstanding: \$4,739,568.96** (all 90+ days / High risk).
- **Total debt outstanding: \$4,650,000** at a 5.47% weighted-average rate.
- **Total vendor spend (24 months): \$25,392,930.29.**
