

# Robotix Technologies — HR Data Summary

**Company:** Robotix Technologies (fictional, IT-led enterprise technology and robotics/automation company)  
**HQ:** Bothell, Washington · **Founded:** 1998 · **Email domain:** robotix.com **Report date:** 2026-06-23 **Status:**  
All data is 100% synthetic.

## Overview

This report summarizes the seven HR analytics CSV extracts under `data/hr/` so the source files can be archived. Every figure below was computed directly from the source CSVs (via pandas) — no values are estimated. The raw employee roster (`employees/employees.csv`) is retained separately and is not summarized here.

| Dataset                      | File                                                | Rows |
|------------------------------|-----------------------------------------------------|------|
| Headcount (monthly, by dept) | <code>headcount/historical_headcount.csv</code>     | 360  |
| Attrition records            | <code>attrition/attrition_records.csv</code>        | 80   |
| Compensation analysis        | <code>compensation/compensation_analysis.csv</code> | 80   |
| Diversity — current          | <code>diversity/diversity_current.csv</code>        | 30   |
| Diversity — trends           | <code>diversity/diversity_trends.csv</code>         | 12   |
| Recruiting pipeline          | <code>recruiting/recruiting_pipeline.csv</code>     | 120  |
| Training records             | <code>training/training_records.csv</code>          | 300  |

## 1. Headcount Trends

Monthly headcount across **10 departments**, spanning **2022-11 → 2025-09** (35 months).

- **Starting total (2022-11):** 233 headcount · 228.29 FTE
- **Latest total (2025-09):** 279 headcount · 273.93 FTE
- **Net growth over the period:** +46 headcount (+19.7%)
- **Contractors:** 0 reported across all months (all employees are FTE-tracked)

Latest-month headcount by department (2025-09):

| Department           | Headcount | FTE   |
|----------------------|-----------|-------|
| Product Development  | 67        | 65.81 |
| Manufacturing        | 46        | 45.63 |
| Sales & Marketing    | 40        | 39.28 |
| Customer Service     | 28        | 27.65 |
| IT & Systems         | 26        | 25.76 |
| Finance              | 20        | 19.36 |
| Quality Assurance    | 18        | 17.91 |
| Legal & Compliance   | 17        | 16.16 |
| Executive Leadership | 11        | 10.56 |
| Human Resources      | 6         | 5.81  |

Product Development is the largest function (~24% of headcount), followed by Manufacturing.

---

## 2. Attrition

**80 attrition records** with termination dates from **2020-10-22 → 2025-10-19**.

- **Voluntary vs. involuntary:** 45 voluntary (56.3%) · 35 involuntary (43.8%)
- **Average tenure at exit:** 22.8 months
- **Regrettable departures:** 30 of 80 (37.5%)
- **Exit interview completed:** 42 of 80 (52.5%)
- **Eligible for rehire:** 56 of 80 (70.0%)
- **Average notice period:** 7.1 days

**Top termination reasons:** Voluntary – Better Opportunity (12), End of Contract (11), Voluntary – Relocation (10), Involuntary – Position Eliminated (10), Voluntary – Retirement (9).

**Highest-attrition departments:** Human Resources (11), then Quality Assurance, Executive Leadership, Sales & Marketing, and Customer Service (9 each).

Representative records:

| ID        | Department         | Level  | Tenure (mo) | Type        | Reason             | Regrettable |
|-----------|--------------------|--------|-------------|-------------|--------------------|-------------|
| ATR-00001 | Manufacturing      | VP     | 10.8        | Voluntary   | Better Opportunity | No          |
| ATR-00002 | IT & Systems       | Entry  | 21.1        | Voluntary   | Better Opportunity | No          |
| ATR-00003 | Manufacturing      | Senior | 26.4        | Involuntary | End of Contract    | No          |
| ATR-00004 | Legal & Compliance | Mid    | 10.1        | Voluntary   | Relocation         | Yes         |

### 3. Compensation Analysis

**80 department × job-level cohorts** covering 10 departments and 8 job levels (Entry, Mid, Senior, Lead, Manager, Director, VP, Executive), totaling 658 employee slots.

- **Headcount-weighted average base salary:** ~\$152,765
- **Headcount-weighted average total comp:** ~\$175,981
- **Salary range across cohorts:** \$52,492.61 (min) → \$352,236.26 (max)
- **Average market percentile:** 54.2 (positioned slightly above market median)

Weighted average base salary by job level:

| Job Level | Wtd. Avg Base | Slots |
|-----------|---------------|-------|
| Entry     | \$64,448      | 72    |
| Mid       | \$86,044      | 68    |
| Senior    | \$108,977     | 73    |
| Lead      | \$134,511     | 98    |
| Manager   | \$126,152     | 68    |
| Director  | \$166,353     | 90    |
| VP        | \$208,895     | 106   |
| Executive | \$279,494     | 83    |

Sample cohort rows (Product Development):

| Department          | Level  | Count | Avg Base  | Median    | Avg Total Comp | Mkt %ile |
|---------------------|--------|-------|-----------|-----------|----------------|----------|
| Product Development | Entry  | 8     | \$64,380  | \$65,491  | \$76,442       | 40       |
| Product Development | Mid    | 5     | \$85,833  | \$86,311  | \$96,886       | 60       |
| Product Development | Senior | 2     | \$107,014 | \$106,789 | \$122,816      | 50       |
| Product Development | Lead   | 15    | \$137,696 | \$136,895 | \$164,916      | 40       |

## 4. Diversity

### Current snapshot

**30 department × job-category × gender** rows across all 10 departments. Reported counts:

- **Total reported:** 256 employees
- **Male:** 163 (63.7%)
- **Female:** 93 (36.3%)
- **Non-binary:** 0 reported

Sample rows:

| Department           | Job Category           | Gender | Count | %    |
|----------------------|------------------------|--------|-------|------|
| Executive Leadership | Individual Contributor | Male   | 33    | 67.3 |
| Executive Leadership | Manager                | Female | 15    | 30.6 |
| Human Resources      | Individual Contributor | Male   | 11    | 47.8 |
| Human Resources      | Executive              | Female | 8     | 34.8 |

### Trends (Q4 2022 → Q3 2025)

12 quarterly snapshots tracking representation metrics company-wide.

| Quarter | Total | Female % | URM % | Female Leadership % |
|---------|-------|----------|-------|---------------------|
| Q4 2022 | 259   | 37.8     | 20.9  | 28.6                |
| Q4 2023 | 286   | 35.2     | 20.5  | 34.4                |
| Q4 2024 | 276   | 37.3     | 21.1  | 29.8                |

| Quarter | Total | Female % | URM % | Female Leadership % |
|---------|-------|----------|-------|---------------------|
|---------|-------|----------|-------|---------------------|

|         |     |      |      |      |
|---------|-----|------|------|------|
| Q2 2025 | 274 | 36.5 | 21.2 | 33.7 |
|---------|-----|------|------|------|

|         |     |      |      |      |
|---------|-----|------|------|------|
| Q3 2025 | 247 | 35.5 | 22.3 | 28.6 |
|---------|-----|------|------|------|

Female representation has held roughly in the **34–38%** band, underrepresented-minority share in the **18–22%** range, and female leadership in the **28–34%** range over the period — relatively flat with quarter-to-quarter fluctuation.

5. Recruiting Pipeline

120 requisitions posted 2025-04-26 → 2025-10-19.

- **Status:** 86 Open (71.7%) · 34 Closed (28.3%)
- **Total applicants:** 10,376 (avg **86.5 per req**)
- **Total offers extended:** 20
- **Average days-to-hire (12 filled reqs):** 65.9 days
- **Average days open:** 86.1 days

**Sourcing channels:** LinkedIn (23), Recruiter (23), Career Fair (21), Indeed (21), Company Website (17), Referral (15). **Priority mix:** Low (43), Medium (39), High (38).

Sample requisitions:

| Req ID    | Title                 | Department           | Status | Applicants | Offers | Days Open | Source          |
|-----------|-----------------------|----------------------|--------|------------|--------|-----------|-----------------|
| REQ-00001 | Sales Manager         | Legal & Compliance   | Open   | 140        | 0      | 126       | Company Website |
| REQ-00002 | Sales Manager         | Executive Leadership | Closed | 131        | 0      | 57        | Career Fair     |
| REQ-00003 | Production Supervisor | Manufacturing        | Open   | 132        | 0      | 20        | Career Fair     |
| REQ-00004 | Financial Analyst     | Human Resources      | Open   | 121        | 0      | 137       | LinkedIn        |

## 6. Training & Development

300 training records dated 2023-10-23 → 2025-10-21.

- **Status:** 251 Completed · 29 In Progress · 20 Scheduled → **completion rate 83.7%**
- **Total training spend:** \$596,811.37 (avg **\$1,989.37 per record**)
- **Total training hours:** 4,722 (avg 15.7 hrs per record)
- **Average score (completed):** 85.0
- **Certifications earned:** 69 of 300 (23.0%)
- **Mandatory courses:** 34 (11.3%); the remaining 266 are elective/development

**Training types:** Onboarding (39), Leadership Development (38), Industry Certification (36), Project Management (36), Compliance Training (34), Safety Training (33), Technical Skills (30), Communication Skills (29), Software Tools (25). **Delivery methods:** Virtual (93), Hybrid (75), Self-Paced Online (66), In-Person (66).

Sample records:

| ID         | Course                 | Type                   | Hours | Cost       | Status    | Score | Mandatory |
|------------|------------------------|------------------------|-------|------------|-----------|-------|-----------|
| TRN-000001 | Robotics Certification | Industry Certification | 40    | \$4,511.12 | Completed | 91.8  | No        |
| TRN-000002 | OSHA Safety            | Compliance Training    | 24    | \$1,291.39 | Completed | 82.6  | Yes       |
| TRN-000003 | Scrum Master Training  | Project Management     | 24    | \$4,488.48 | Completed | 71.7  | No        |
| TRN-000004 | Robotics Certification | Industry Certification | 2     | \$158.80   | Completed | 89.4  | No        |
