

IT Service Catalog Overview

The Robotix IT Service Catalog is the authoritative list of technology services available to all employees, contractors, and approved visitors across Robotix Technologies' 14 offices and remote workforce. Services are fulfilled by the Robotix Service Desk and its supporting teams.

How to Request a Service

All service requests must be submitted through RobotixDesk, the self-service portal at <https://help.robotix.com>. Log in with your Okta credentials (firstname.lastname@robotix.com) and select Request a Service from the home screen.

Alternative channels (for questions only - not for new requests):

Urgent issues when portal is unavailable

Quick questions, status checks

Note: Requests submitted by email or Slack are automatically converted to RobotixDesk tickets but may experience longer fulfillment times than portal submissions, which auto-populate approval workflows.

Fulfillment SLAs

Service requests are classified as P4 - Low by default unless an approved priority justification is submitted with the request. See SLA and Priority Matrix for full definitions.
