Automation Success Stories	122	37	30%
RPA Integration Whitepaper	98	28	29%

Key Insights

- Technical whitepapers continue to generate highest quality leads
- Manufacturing sector leads grew 42% YoY
- North American conversion rates outperform other regions by 35%
- Enterprise segment (>\$1B revenue) shows strongest intent signals

Recommendations

Short-term Actions

- Increase technical whitepaper production focusing on Industry 4.0 themes
- Expand manufacturing-specific content library
- Implement lead scoring adjustments for enterprise segment
- Enhance APAC region content localization

Strategic Initiatives

1. Develop industry-specific nurture tracks
 2. Create ROI-focused content series
 3. Expand webinar program with technical focus
 4. Implement intent data integration
-

Next Steps

1. Review lead scoring model by April 15
2. Launch new manufacturing content series by May 1
3. Deploy enhanced nurture tracks by Q2
4. Evaluate marketing automation platform capabilities
